Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Tuesday 07 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Storm Barra brings strong winds and frequent showers overnight.

This Evening and Tonight:
After a drier interlude early this evening, frequent showers will spread from the west. The showers will give some heavy and prolonged downpours in places, will fall as sleet and snow over the highest ground. Windy, especially near the coast. Minimum temperature 2 deg C (36 deg F).

Wednesday:
Remaining windy with sunny spells and blustery locally heavy showers, with the showers remaining wintry over the higher ground. Feeling cold, especially in the wind. Maximum temperature 6 deg C (43 deg F).

Outlook for Thursday to Saturday:
Bright spells and a few showers Thursday, then evening rain and some hill snow clearing overnight to sunshine and showers on Friday. Milder on Saturday but cloudy with further rain.
